VOID

Bombproof expedition duffel bag

The Void is our bombproof do anything duffel bag. Perfect for everyday outdoor use, long haul flights around the world or for expeditions to the greater ranges. It uses a combination of tough 1000D Cordura with a 2 m hydrostatic head and a durable 840D double TPU fabric to the base. With no ground level seams this bag offers a high level of weather protection for your kit wherever you go. The unique positioning of the main zipper gives great access to the main compartment and even the option to use the lid as a mat for clothing changes.
